ABOUT US

RSG Shipping Pty Ltd was established to provide a friendly cost-effective service with possibilities. We ensure our customers experience a seamless, fast, effective service with vast opportunity, moving shipments from A to B with smooth precision.

When you have cargo to move - whether that's one pallet every blue moon or several containers every week - you just want the process to be seamless.

It shouldn't take up too much of your time, but you need to have absolute confidence that your goods will arrive where and when they need to. Because that's what it takes for your business to be successful.

We know that's what our customers want, so RSG Shipping Pty Ltd is built around making that happen. Because that's what it takes for our business to be successful.

Whether you need a door-to-door service anywhere in the world, or a port-to-port delivery for your agents to handle, our experts will get your shipment to where it needs to be and take away the hassle of figuring out the route, the method and the paperwork.

Our team of experience staff makes us specialists in sea, road and air freight, along with vehicle shipping and project cargo. So, whatever you have, and wherever it needs to be, we can make the process seamless.

MISSION

To design, build & deliver flexible, integrated, best in class Customs Brokerage and Logistics Solutions with service excellence.

VISION

To be a leader in integrated logistics solutions. We aim to dedicate and commit to providing value and innovation to our customers and partners.

COMPANY PHILOSOPHY

Our Mission, Vision and Management Policy expresses our fundamental beliefs that will make us as one of the leading firms in the industry.

MANAGEMENT POLICY

Maintaining a rewarding work environment for our greatest assets – employees while responding to our clients' needs as a diversified logistics company.

SERVICES

SEA FREIGHT

You want a hassle-free, efficient and competitively-priced service to get your cargo door-to-door, or port-to-port. And that's what we can do with staff of more than 20 year experience. From hazardous chemicals to manufacturing machinery, we get your cargo where it needs to be, seamlessly.

AIR FREIGHT

To move cargo the fastest way possible, everything has to be in order. You'll want a team who can do all the necessary paperwork and handle customs clearance in-house so your shipment gets where it's going as efficiently and smoothly as possible, while sticking to budget.

ROAD FREIGHT

You need your shipment to arrive in the best possible time, with booking and despatch to made easy. And just because it's road freight doesn't mean it's any less complicated, or any less valuable. Our service makes the whole process seamless, getting your cargo from A to B, hassle-free.

WAREHOUSING

Whether you're storing one box or bulk orders, hazardous, high-value or perishable goods, you'll want a flexible storage solution with accessible transport links. Whether you need long or short-term warehousing, our complete stock management solution gives you peace of mind.

VEHICLE SHIPPING

Vehicle shipping is not like any other kind of freight forwarding; shipping a car internationally takes specialist preparation and needs the right connections. Packed and tracked, our door-to-door service gives you peace of mind and up-to-date information.

INTERNATIONAL BAGGAGE CLEARANCE

We are able to offer high-end International Baggage Clearance Service. The offered baggage clearance services are executed by our proficient personnel, who ensure to comprehend and meet the assorted requirements of clients in an efficient manner.

EXPRESS COURIER

RSG Shipping Pty Ltd provides a guaranteed, fast reliable, world-wide, integrated door-to-door movement of shipments which are tracked and controlled to final delivery. Customs clearance as well as payment of duties and taxes are handled for shipments that cross international borders.

CUSTOMS CLEARANCE

We understand that you need a partner who understands the complexities of customs compliance and we will work with you to ensure all entries are completed accurately and in a timely manner. Using our knowledge of customs procedure and global trade deals we can identify where you may be able to pay less or even zero duties & VAT.
